UPCOMING

First Time @ Five Corners?
Welcome to our church family! We are happy you are here and want you to feel a part of our service. As you participate in praise and worship and our small group discussion times, our desire is that, together, as we hunger for God, He would continually transform us to God's family.

Unsupervised Nursery
We have a room available so parents can enter into morning worship while their kids play. The nursery is equipped with video linked to the main service so parents don't miss out. Offered for children ages 0 to 3ish.

Kids @ Five Corners
Sunday School is available for Children Age 4 to Grade 6. Kids are dismissed after the singing. Parents, please pick up your kids upstairs (through the foyer) after the service. The older kids will be brought to the sanctuary after class.

Praying for our church family to be empowered by the Holy Spirit in anticipation of Pentecost Sunday. All are invited to participate.

The B.L.E.S.S. Practices

Inside of each of us is a deep longing to make a difference, to leave our mark, to love the people around us in such a way that they see Jesus through us. The B.L.E.S.S. practices take that deep longing or desire and give it legs--authentic and practical ways to actually do what you so want to do: love your neighbours and change the world.

Everyone is asked to choose 4 people where they work/live/play and B.L.E.S.S. the people around them.

-  B: Begin with prayer
-  L: Listen
-  E: Eat
-  S: Serve
-  S: Share God's Story
